WHO WE ARE

Free2B Alliance is a London-based community interest company that supports LGBTQ+ young people and their families through one-to-one and group services in schools and the community. We actively challenge homophobia, biphobia, and transphobia, and provide LGBTQ+ awareness training to schools and organisations to promote inclusivity.

By partnering with us – whether you're a business, a school, a staff network, or any organisation looking to make a difference – you'll join a community dedicated to uplifting LGBTQ+ lives and creating a more inclusive future for everyone.

HOW YOUR SUPPORT MAKES A DIFFERENCE

To give you an idea of how your sponsorship will directly benefit LGBTQ+ young people, here are some key provision costs per year:

£300: LGBTQ+ EVENT OR TRIP

"Gap has a prom every year and that's a sort of small very queer version on an emotional end of year gathering. I feel like many other people are denied that opportunity to live out their prom experience authentically and Gap gives them the opportunity to do that."

£550: YEAR-LONG FORTNIGHTLY MENTORING FOR ONE YOUNG PERSON

"The 1:1 sessions have really helped me with my mental health and happiness. It's helped me become more secure in my identity and support system. It helps me to find support within adults that have been through similar experiences".

£900: RESOURCES FOR 10 SCHOOL FORUMS FOR ONE YEAR

"I enjoy being able to be with a community that won't judge me for who I want to be. I also like doing activities with people in forum."

£2,000: HEALTHY EATING PROGRAMME AT GAP YOUTH CLUB FOR A YEAR

Funding has enabled us to provide healthy snacks at GAP youth club, alongside activities like cooking sessions, a food hygiene quiz, cultural food days, and A-Z of fruit and veg challenges... ever tried Vapple?

£3,000: 3-DAY RESIDENTIAL TRIP FOR 10 YOUNG PEOPLE

"The happiest I've been in a while, it's a good thing I came to Woodrow High house, 'cos it was there I rediscovered my smile."

"It is money well spent if, through Free2B, only one person can see how marvellous it is to be who they are and what they are. And because there are, in fact, many who have that knowledge because of Free2B, I see my giving as exceptionally good value."
