SUPPORTING YOUR WELLBEING

Here are some Summer Wellbeing tips from our Young People and Free2B Community, on how to support your wellbeing over the holidays and stay connected to supportive people and places:

- Create collaborative music playlist with your friends
- Plan at least 1 day out a week to keep a sense of routine
- Create a Bucket List of Films to watch or Books to read
- Get outside in the hopefully sunny weather - this could be for walks, picnics, reading...
- If possible, plan hangout dates with your friends and supportive people - this could be in person or online!
- Discover new parts of London - especially all the wonderful parks
- Try new ways to stay active and be outside - hiring bikes, going to LGBTQ+ swimming sessions etc
- Eat Ice cream! And most importantly, stay hydrated!
- Enjoy the Pride Celebrations, in whatever way feels most comfortable and fun for you!

If you find yourself getting anxious or stressed, try the **54321 technique** to help ground yourself:

First off - take 3 slow and quiet deep breathe

5 - List 5 things you can SEE

4 - List 4 things you can FEEL
